

## Remote Learning WC: 03.5.21

**Maths:** <https://whiterosemaths.com/homelearning/early-years/to-20-beyond-week-3/>

Click on the link above to watch the daily video and complete the activity.

**RWI:** In case of closure daily RWI sessions will be uploaded to the VLE for individual children.

**Topic:** This week continuing to look at the book 'The Journey' by Neil Griffiths

Link to the story -

<https://www.youtube.com/watch?v=LJT5e-iH85c>

1. Read the story and remind yourself of the new vocabulary you looked at last week.
2. Thinking about the boat getting stuck in the muddy water due to the rubbish, can you design a poster to remind people to put their rubbish in the bin or take it home?
3. Recycling - collect some of the rubbish that you have in your home and sort it into rubbish and recycling. Why is important to recycle?
4. Re-read the text for the last time, find your favourite part/image and write a sentence about it.

**Additional Activities:** Floating and sinking - what objects can you find that float or sink?

Can you make a boat that floats?

Recycling - what do you recycle at home? Draw a picture and label some of the things you recycle.
