

Remote Learning WC: 19.4.21

Maths: <https://whiterosemaths.com/homelearning/early-years/to-20-beyond-week-1/>

Click on the link above to watch the daily video and complete the activity.

RWI: In case of closure daily RWI sessions will be uploaded to the VLE for individual children.

Topic: This week we are looking at the book 'We're Going on a Bear Hunt' by Michael Rosen

Link to the story -

<https://www.youtube.com/watch?v=OgyI6ykDwds>

- 1 Read the story and talk about what has happened in the story.
- 2 Re-read the story, then talk about the order. What do they come across first, then, after that, next...
- 3 Think about the sequence of the story, can you draw a picture and label each part. Some children should be able to write a simple sentence.
- 4 Make a bear - research the different types of bears. Can you make one at home using things around the house?
- 5 Watch the video clip of the story again, can you join in for one last time. Pretend you are putting on a performance - say the story with actions!

Additional Activities:

Can you paint/draw a picture of your favourite part of the story and write about it?

Can you build a cave? You can use sheets and covers to make a den like cave! Act out the story!
