

Week Commencing: 24.5.21 This week we are learning the following...

<u>Maths</u> 	<u>English</u>	<u>Topic - Science fortnight</u> 
<p>This week we are recapping our learning on using a formal method for addition and subtraction. We will use the column method for these and put them also in the context of word problems</p> <p>You can also revise timestables on <a href="https://trockstars.com/">https://trockstars.com/</a></p> <p>Additional activities are also provided on <a href="https://mathswithparents.com/">https://mathswithparents.com/</a></p> <p>your class code is: 747212</p>	<p>This week we will be writing our own exciting adventure about Erik and his men that could be included as another chapter in The Saga of Erik the Viking.</p> <p><u>Reading</u></p> <p>Our text this week and for the rest of the term is going to be from a book called The Saga of Erik the Viking by Terry Jones. This week we will be reading and discussing the chapter called Erik and his return home.</p> <p>We also completed our reading lesson using the Reading Plus website. Which children can also access at home:</p> <p><a href="http://www.readingplus.co.uk">www.readingplus.co.uk</a></p>	<p><u>Topic - Science</u></p> <p>This week we are beginning our science week learning where our focus will be teeth and digestion. We will learn the names of the different teeth in our mouth and what their purpose is. As part of our digestion topic we will be looking at the different parts of the body we use when we digest food and the role saliva has to play in this. The children will be completing a full science investigation answering the question 'What is saliva for?'</p>
