SCHOOL BLOG

For the last 6 weeks, we have been very fortunate to have hosted a 'Friday Night Fakeaway' course, led by Natalie at the Doncaster Adult, Family and Community Learning Team.

Each Friday, adult learners (parents and family members) have cooked a hot meal from scratch, and then taken the meal home to share with their families. The meals have included Pizza, Quorn Sweet and Sour, Biryani and Onion Bhajis / Pakoras. Every week The Hub has smelt absolutely amazing!

During the final session last week, the children came over to The Hub to celebrate the success of the course with their grown up. They shared the food that had been cooked by their adults, as well as having fun together- joining in with cooking related crafts and activities. During this celebration I was able to sample some fresh Bhajis that had been cooked- they were genuinely absolutely incredible!

I personally want to thank every adult who attended this course- thank you for taking part, for sharing recipes and cooking techniques from different cultures, for trying new things, and for working well as a team.

We are, as always, thankful for the support that we receive from the Doncaster Adult, Family and Community Learning Team.

Due to the success of the course, we plan to start a new course of Friday Night Fakeaway after the February half term. If you are interested in taking part then please contact Roz Stringer at school, or email:

admin@lakeside.doncaster.sch.uk

In the meantime, if you have any ideas for The Lakeside Community Hub, then please contact school.
