

Week Commencing: 05.07.2021 This week we are learning the following in 5MC:

<u>Maths</u>	<u>English</u>	<u>Topic/other subjects</u>
<p data-bbox="107 316 799 427"><u>Tuesday:</u> <u>This will be introduced on Zoom – links to be sent via email.</u></p> <p data-bbox="107 475 407 507">Maths Meeting - Zoom</p> <p data-bbox="107 590 515 699">Converting units of time https://vimeo.com/565714794 Activity on VLE</p> <p data-bbox="107 826 799 1053">Additional activity Play catch. Each time the ball is caught, count up in a particular multiple (this could be any number between 2 and 100). If the ball is dropped, start again. It can be made harder by spacing out or by giving a higher target number.</p>	<p data-bbox="822 316 1514 427"><u>Tuesday:</u> <u>This will be introduced on Zoom – links to be sent via email.</u></p> <p data-bbox="822 475 974 507">Euros 2021</p> <p data-bbox="822 555 1491 813">Children will discuss how the players might be feeling after the game on Saturday and before the game tomorrow night. They will think of a list of questions they would like to ask the England squad and Gareth Southgate. Using role play they will think of responses to their questions and write them down.</p>	<p data-bbox="1538 316 2132 427"><u>Tuesday</u> <u>This will be introduced on Zoom – links to be sent via email.</u></p> <p data-bbox="1538 475 2065 507">Celebrating our achievements this year</p> <p data-bbox="1538 555 2132 1252">Everyone is unique and special. Over the course of the last year, you will have achieved so much. Whether that's learning your times tables, a new sport or having the confidence to put your hand up in class and offer an answer. Remember an achievement is something that has been accomplished through great effort, skill, perseverance or courage. Mind map all of your achievements this year, both in school and outside of school. Look at the mind map and decide what you think is your greatest achievement. Write about this special achievement. How did you accomplish this? What barriers did you face? Who helped you? You could record this as a story featuring yourself as the main character, a newspaper report or even write a rap!</p>

<p><u>Wednesday:</u> <u>This will be introduced on Zoom – links to be sent via email.</u></p> <p>Maths Meeting - Zoom</p> <p>Timetables https://vimeo.com/467109646 Activity on VLE</p> <p>Additional Activity Show your child the picture of the sport equipment below. How many different ways can they classify/sort the PE equipment?</p>	<p><u>Wednesday:</u> <u>This will be introduced on Zoom – links to be sent via email.</u></p> <p>Euros 2021 Imagine that England win their game against Denmark and you work for a newspaper. You have to write the article for the next day. We will work together to think of different headlines and plan out the 5W's. Children to write their own newspaper article based on what they think will happen.</p>	<p><u>Wednesday</u> <u>This will be introduced on Zoom – links to be sent via email.</u></p> <p>Goal Setting for Y6</p> <p>Setting goals is an excellent way for you to try and achieve things that you might not think is possible. Goal setting will also help you to improve your confidence and self-esteem when you see that they can achieve the target you've set. Create a 'Wheel of Fortune' together (see in resources). Use the headings: Learning, Friendships, Physical Challenge, Wellbeing and Family. Under each heading, to write a goal thinking carefully about how long it will take to achieve each goal, who or what can help you and any difficulties you may have to overcome.</p>
<p><u>Thursday:</u> <u>This will be introduced on Zoom – links to be sent via email.</u></p> <p>Maths Meeting – Zoom</p> <p>Interpret Charts https://vimeo.com/462717846 Activity on VLE</p>	<p><u>Thursday:</u> <u>This will be introduced on Zoom – links to be sent via email.</u></p> <p>Paralympics The Paralympics have left a lasting legacy since 2012. The advert "Meet the Super humans" is an advert for the Paralympic Games where we can see many of the athletes in training and gives a better understanding of the athlete's disabilities. We will discuss some of the well-known athletes and sports in the Paralympics and the children are to choose one to research and write a biography about. Link to the video: https://www.youtube.com/watch?v=tuAPPeRg3Nw</p>	<p><u>Thursday</u> <u>This will be introduced on Zoom – links to be sent via email.</u></p> <p>Diversity in Sport</p> <p>This activity is all about exploring the diversity of sport. Research the history of the Paralympics. Discuss why we have the Paralympics. Create a poster which presents the importance of the Paralympics and the range of different sports there are.</p>

<p><u>Friday:</u> <u>This will be introduced on Zoom – links to be sent via email.</u></p> <p>Maths Meeting – Zoom</p> <p>Arithmetic – activity on VLE</p>	<p><u>Friday:</u> <u>This will be introduced on Zoom – links to be sent via email.</u></p> <p>Olympics The Olympics and Paralympics will be happening this year in Tokyo, Japan. The children will discuss the sports they know that happen in the Olympics before looking at some other, lesser known sports. Children will choose one they are most interested in and create a fact file to share.</p>	<p><u>Friday</u> <u>This will be introduced on Zoom – links to be sent via email.</u></p> <p>Class quiz – Get revising for our class quiz – clues – There will be a general knowledge round, music round and (of course) a sports round! Quiz questions (and answers) will go onto the VLE afterwards so you can try it out with your family at home!</p>
<p><u>Notes for the week:</u> <i>L.O means learning objective. This is the skill we focus on each day.</i></p> <p>You can also revise timestables on https://trockstars.com/</p> <p>Additional activities are also provided on https://mathswithparents.com/ 5MC - 230257</p>	<p><u>Notes for the week:</u></p> <p>Try to read a book every day. You can find E-Books on www.oxfordowls.com</p> <p>Complete the reading comprehension on https://readingonyourhead.com/ each week.</p>	<p><u>Notes for the week:</u></p>

<p>Other activities -</p> <ul style="list-style-type: none"> • Sport Genius- Ask your child to research about sporting history and see how many different facts they can find out about sports from the past. Ask them to create their own sporting trivia quiz which they can test out on members of the household. Or place different sporting events from the last 100 years onto a timeline. • Sporting Heroes- Get your child to select their favourite sporting star. Then they can draw a portrait of them in the style of the famous pop artist Roy Lichtenstein using felt tip pens or paint. • Beat It!- Begin by getting your child to measure their resting heart rate by counting how many beats in a minute. Then get them to carry out an exercise e.g. running, skipping, star jumps etc. for 3 minutes. Once they have completed this they are to carry out a recovery activity e.g. walking or sitting and see how long it takes for their heart rate to go back to normal. Ask them to repeat this with different recovery exercises to see which is the most effective at getting their heart rate back to normal the quickest. Can they create a way of showing their results?
--

- Reading - Ask your child to read the sports pages of a newspaper and consider the language used. They could add interesting language to a sports' word bank.
- Spelling - Pick 5 Common Exception words from the Year 5/6 spelling list. Challenge your child to spell them as you throw a ball to each other. Every time the ball is thrown the next letter must be said.
