SCHOOL BLOG

It has been another busy week across the academy as the children have been busy learning new skills in and outside the classroom, taking part in local visits and demonstrating their sewing skills.

Don't forget to look at the school website if you would like more information about what your child is learning in school. There is a page for each year group and for every subject. Or ask the teacher. The website and our social media pages are also updated regularly with all the many events that happen in and out of school.

This week we have focused on one of our school value 'Respect' and particularly considered kindness to others. Doncaster Council are running a Choose Kindness campaign for schools, businesses and individuals. We thought it was a really nice idea so have signed the pledge as a school. The children have taken part in assemblies to agree our pledge which is proudly displayed in every classroom and they are working hard to show kindness to others. Staff at the academy have some very special certificates to hand-out to children (and adults!) who are seen showing small acts of kindness.

There's more information about the pledge available here:

<https://www.yourlifedoncaster.co.uk/choose-kindness>

We hope you will support use with this by demonstrating kindness to your children and each other, and praising the kindness they display. One kind act can spark another. It can brighten a grey day, touch a stranger's heart and inspire a chain reaction of kindness.

Many thanks

Mr J Bullock—Head Teacher
