

We would like to thank all parents and carers who completed the survey that was sent out last term. We are really pleased and thankful to have had such a huge response from parent / carers across all year groups. We are grateful for all of your contributions and have been working on solutions to some of the areas you feel we could improve on, and how to build on those things you feel we are doing well.

Using the survey results and also our frequent parent voice coffee morning sessions, we have made the following changes;
