

## Early Years Newsletter 15th March 2024

This week we have been learning about how to keep safe on the roads. We have found out about the different vehicles we can use to travel and why some vehicles are more suited to different jobs than others. "You can't take an elephant on the bus!" In Forest schools we travelled in different ways, over and under and through. We have been finding out about subtraction in Math's in Reception and in Nursery we have been looking at patterns. We have had lots of fun building our own car in our classroom garage. We enjoyed our Red nose day and found out about how we can support people by raising money. We talked lots about what makes us happy.
