

Early Years Newsletter 13th June 2024

It has been a busy week in Early Years this week and we have been learning all about how where we live is different to other places in the world. In Reception we have been finding out about hot and cold countries and deciding what we would need to pack in our suitcases depending on where we were visiting. In Nursery we have been comparing animals that live in the jungle with those that live in the Ocean. We have looked at what makes us happy in Nursery and in Reception we learnt all about what it means to be proud and how we can show this to others. In Maths this week Nursery have been consolidating the use of the number-line and in Reception learning about full and empty.
