

Nursery Newsletter: 6th December 2024

Another great week! The children have enjoyed learning about the types of animals that live in woodlands. We created our own hedgehogs using the playdough, our own woodlands scenes by cutting and sticking different animals and used cotton buds to create our own trees.

As part of our Maths learning this week, we have been learning about 3D shapes. We have been learning their names, looking at their sides, their corners and their faces. We even went on a shape hunt in our classroom!

Also, as part of our storytime this week, we have enjoyed reading the story, *The Rabbit, The Dark and the Biscuit Tin* by Nicola O'Byrne. We have learnt about the different animals that live in a woodland environment and even a tricky word, nocturnal! Can you tell your grown up what nocturnal means?

Nursery Phonics:

This week, we have been finding things that are different and things that are the same. Can the children point to the correct colour pencil?

Some activities you could try at home with your child this week:

- Practising putting on your coat
- Read a book in a funny place for example under a table.
- Count as you walk down and up the stairs.

CHRISTMAS CRAFTS

17th December 1:30pm

Join us for our Reception Christmas Concert where the children will be performing some songs for you. This year we will also have our 'Together Time' Christmas Crafts session where parents are invited to join their children to make and take home some special decorations for your home.
