

Nursery Newsletter: 21st March 2025

Another great week! This week, we have focused on different modes of transport that travel on the ground. This week, the story that we have been reading is 'Who's Driving?' By Leo Timmers. We have created our own fire engines, made from paper plates. We have had a really good go at using the playdough to create our own fires and fire engines which has been really tricky. Also, we have practiced our cutting skills, cutting and adding split pins to create our own fire fighters. As part of our Maths learning this week, we have been counting forwards from 1-10. Also, we have used number cards to identify and place numbers in the correct place. As part of our storytime this week, we have enjoyed reading the story and discussing which vehicles we think are fast and slow.

STORY OF THE WEEK

Some activities you could try at home with your child this week:

- Practice putting on your coat.
- Read a book in a funny place for example under a table.
- Count as you walk down and up the stairs.
