

Nursery Newsletter – WC: 12th May 2025.

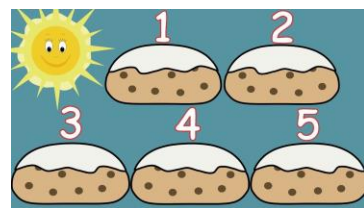

A great fifth week back – finally a normal week! This week, we have enjoyed reading the story, 'Teeny Weeny Tadpole' by Sheridan Cain. Whilst reading the story, we have discussed the life cycle of a tadpole. Can you explain the four different steps to a Tadpole's Life Cycle to your grown up? We have created our own Tadpole Life Cycle using paper plates, we have used our playdough to create tadpoles, froglets and frogs and we have even cut and stuck some pictures and placed them onto the life cycle. For our Maths learning this week, we have been focusing on sharing between two equal groups. We have practiced using different objects around our classroom, and shared them using two hoops, one for me and one for you.

At Home Challenge

Some activities you could try at home with your child this week:

- Practice putting on your coat.
- Read a book in a funny place for example under a table.
- Count as you walk down and up the stairs.
