

Nursery Newsletter – WC: 19th May 2025.

A great final week! This week, we have enjoyed reading the story, 'A Crunching Munching Caterpillar' by Sheridan Cain. Whilst reading the story, we have discuss the life cycle of a caterpillar and how it turns into a butterfly. Can you explain the four different steps to a Caterpillar's Life Cycle to your grown up? We have created our own Caterpillar Life Cycle using paper plates and different types of pasta to create different parts of the life cycle. We have used our playdough to create the eggs, caterpillars, crysallis and then butterflies. We have even cut and stuck some pictres and placed them onto the life cycle. For our Maths learning this week, we have recapped making 5 in different ways using different objects around the classroom. Can you tell your grown up a way to make 5?

STORY OF THE WEEK

At Home Challenge

Some activities you could try at home with your child this week:

- Practice putting on your coat.
- Read a book in a funny place for example under a table.
- Count as you walk down and up the stairs.
