

Early Years Newsletter 23rd May 2025

This week we talked about how amazing we are and found out about all the amazing things we can do such as being a scientist and inventor as well as being a great friend. After reading our story the Very Hungry Caterpillar we talked about our favourite foods and about how it is important that we have a good balance of healthy and unhealthy foods. We learnt that all living things are part of a life cycle and we found out about the life cycle of a frog, caterpillar and of a sunflower. Then we discovered that if the life cycle ends, then the animal or plant becomes extinct. We enjoyed talking about the dinosaurs and found out about the Dodo and the Woolly Mammoth. After the holiday we will be learning about travelling to different places.

We value your support in helping your child with their learning at home and we would like to invite you to join us in school to take part in an activity and to learn with them in the classroom.

maths

Counting to 20

Please see the dates for your child's session:

Ducklings:
Monday 16th June 1:30pm-3:00pm

Cygnets:
Monday 9th June. 1:30pm-3:00pm

In our maths this week we have been counting beyond 10 up to 50 and finding out about how numbers from 10 up to 20 are made up of a ten and ones. We have been comparing the numbers saying which has more or fewer and ordering them.

STORY OF THE WEEK

Words we are
Learning...

Pupa, lava,
adult, emerge,
Cocoon

Reception Phonics:

Set 1
Red words
song

Practise your red words:

At Home Challenge

Some activities you could try at home with your child this week:

- Can you find any minibeasts in your garden or when you are out for a walk? Look under logs and leaves or look in the grass.
- Make a fruit kebab using your favourite fruits.
- Have a go at tying your own shoelaces.
