

Nursery Newsletter – WC: 23rd June 2025.

A great fourth week back, over half way through our final term! This week, we have been enjoying reading the story 'Baby Goes to Market' by Atinuke. We have enjoyed learning about how in different countries, people get their food in different ways. Sometimes, families have to travel for a really long time and they can't quickly go to the shop if they need something urgently. We have been printing using different fruit and vegetables, looking at the different patterns that are made in the paint and we have used the playdough to create our favourite foods. For our Maths learning this week, we have recapped 2D Shapes, their names and used 3 key words – vertices, sides and faces. On your walk or drive home, can you spot any 2D shapes with your Grown-Ups?

At Home Challenge

Some activities you could try at home with your child this week:

- Practice putting on your coat.
- Read a book in a funny place for example under a table.
- Count as you walk down and up the stairs.
