## Maths with Colin and Fred

Hi everyone, Colin and Fred are really excited! They are staying at Mrs Callan's house and they are going to be helping her with the daily maths activity you can join in with at home.

Why don't you have a go at some of the counting activities below!

☆

Can you count Colin and Fred's legs?

Who has the most?

How many people live in your house?

Can you count the legs of the people who live with you?

Colin and Fred have decided what they are going to have for lunch!

How many items has Colin chosen?

This is what Fred is having!
Who has the most?

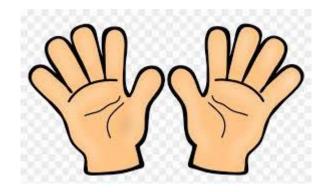

Can you count out what you are going to have for lunch?
