English

In this section you will find activities for reading, writing, grammar, spelling and handwriting.

Writing activity: Write your own story about what happened to your bad character Barry in the chocolate room. We have spent time talking about this and planning it at school so you should have lots of ideas.

Who is your character?

What does he look like?

How does he act?

What does Mr Wonka tell him not to eat?

What happens to Barry?

Grammar activity: Write your own questions and remember to add a question mark on the end of each one.

Reading: Carefully read the text and answer the questions. Remember to find the evidence in the text.

Spelling: Complete the spelling activities. Look carefully at the spelling of each word.

Handwriting: Forming letters of the smile family and the misfits and then letters that join with a diagonal joining stroke and up to the top solid line to start the next letter.

A question mark ends a sentence that is a direct question.

In English, there should be a finger space after a question mark, but not before.

The sentence after a question mark always starts with a capital letter.

Please can I have a drink?

Where is my pencil case?

Do you like animals?

How do you change your voice to show a question has been asked?

Topic Overview

Lesson 1 (DT)- Follow a recipe to make a meal or dessert. This could be a family favourite or we have included a biscuit recipe that we would follow in school.

Lesson 2 (DT)- Evaluate what you made using the evaluation sheet in the pack. What went well and what would you do differently next time?

Lesson 3 (cross curricular maths)- Look at the information that has been collected in the table and put it on the pictogram. Now use this to answer the questions.

Basic Biscuit Recipe

Ingredients

250g butter, softened

140g caster sugar

- 1 egg yolk
- 2 tsp vanilla extract
- 300g plain flour

Method

1. Heat the oven to 180C/ gas mark 4 and grease a baking tray.
 2. Mix 250g softened butter and 140g caster sugar in a large bowl with a wooden spoon, then add 1 egg yolk and 2 tsp vanilla extract and briefly beat to combine.
 3. Sift over 300g plain flour and stir until the mixture is well combined - you might need to get your hands in at the end to give everything a really good mix and press the dough together.
 4. Roll out the mixture until it is about 1cm thick.
 5. Use the cutters to cut out biscuit shapes.
-

6. Place the shapes on a baking tray and bake for 12 minutes until golden brown.
 7. Carefully take the biscuits out of the oven and place them on a wire rack to cool.

Adaption 1- Lemon fingers

Make the [basic biscuit dough](#), adding the zest of two lemons to the dough.

For the icing, mix 140g sifted icing sugar with 4-5 tablespoons of lemon juice and the zest of 1 lemon. When the biscuits are cool, half dip them into the icing, then leave on a rack to set.

Adaption 2 - Triple chocolate biscuits

Make a batch of [basic biscuit dough](#), substituting 50g plain flour for 50g cocoa powder. Add 85g white chocolate chunks and 85g milk chocolate chunks, then mix well.

Scoop the mixture into 12 large balls onto a non-stick baking sheet. Space well apart, as they will spread. Flatten slightly, bake for 12-15 mins, then transfer the soft, warm cookies to a cooling rack to firm up.
