

# Phonics, songs, rhymes, stories and mark making!

Hello again everyone,

I have put together some phonic activities that you can do at home. What's the weather like outside? It's grey and cloudy where I live.

Can you listen to the link below, can you hear the outdoor sounds. What do you think they are! If you open your window, what can you hear?

Here's two of my favourite rhymes that you can join in with at home

Here's a story you can watch at home.

What's your favourite insect in the story?

I hope you enjoy the story.

## VLE

I have recorded some stories for you to watch and listen to at home. You will find them on the VLE tab on the website.

I hope you can join me! Colin and Fred hope you can.
