

Phonics, songs, rhymes, stories and mark making!

Hello again everyone,

I have put together some phonic activities that you can do at home. What's the weather like outside? It's cold and wet where I live!

Can you listen to the link below, can you hear the outdoor sounds. What do you think they are! Have you ever been on a bus? Where did you go? What kind a sound does a train make?

Here's three of my favourite rhymes that you can join in with at home.

Here's a programme you can watch at home.

Can you guess where Justin is?

What sound does the fire engine make?

I hope you enjoy the story.
