

# Phonics, songs, rhymes, stories and mark making!

Hello again everyone,

I have put together some phonic activities that you can do at home. What's the weather like outside? It's calm and cloudy today where I live! Do you know what day it is?

I have added a link to a song that will help you learn the days of the week.

Can you listen to the link below, can you hear the outdoor sounds. Can you guess what the sounds are in the story?

Here's three more of my favourite action songs and rhymes that you can join in with at home.
