

Dear Parents/Carers,

Due to the government's instruction to move to online learning, I will be providing work and giving feedback on line. Every morning I will set activities and put them on the website and will provide a new paper pack every 2-3 weeks unless things change.

The website activities will be as follows:

Maths warm up
Maths activity with links to the teaching video
Maths Meeting Powerpoint
Links to phonics session video
English activity
Topic
Story

We will also be putting reading books and comprehensions in packs to do. Can we **please** ask that we can collect them when we deliver the new packs – this is a bit of an experiment for me and Mrs Williams so we'll see how it goes!

To give you an idea of the usual timings of a day, this is what we normally do:

08.50 - 9:00	9:00-10:00	10-10:15	10.15 – 10.30	10:30 – 10:40	10.40 – 12.00	12.00 – 1:00	1-1:30	1:30-2:30	2:30-2:40
Maths or English activity during register	English	Break	Milk	Maths Meeting	Maths	Lunch	Phonics & Reading	Topic	Story

While no one is suggesting you stick to these times, it is good to keep your child in a routine of getting up, getting dressed, having breakfast and school work. It will also help when the children come back to school if they have kept up with some form of learning.

If you have any questions about the activities set, please don't hesitate to send me a message on the website or email and I will answer as soon as I can.

Mrs Phillips
