Times table challenge. Today we will complete a times table check.	Today you are going to have a look at another wordless picture book called Journey. We are going to enjoy "reading" it together! Perhaps you could then create your own wordless picture book!	Look at the example of the itineraries to visit different human landmarks of the USA. Today I would like you to write a diary entry about a holiday you have just had visiting of these locations. Where did you go? What was the weather like? How did you feel? What amazing sights did you see? Did anything go wrong?	Following on from our theme of keeping safe can you choose one of the topics we've covered in previous lessons including Road Safety, Risks in the Home, Beautiful Explosions and create a poster with a clear message that people should follow to keep safe.
